"Live
and learn
or die and
don't."

"Tomorrow is just
another word for **booze.**"

"We all pay the price for desire, but the price for ambivalent desire is even greater."

"Be Well.
Be Strong.
Be Witch!"

"I just
ran into
my dear
friend..."

Um...what's her name?"

"Oh
God,
I've betrayed
my
false
ending."

"I'm not funny about being

sentimental."

powerHouse Books

"The Internet connection was so slow last night I had to use my imagination."

"I'm having real trouble
with the concept of
REALNESS."

"On a beautiful day like
today everybody deserves
a **kiss.**"

powerHouse Books

"I just did
the most
perfect thing
I could have ever
done for myself."

powerHouse Books

"Pity party
for 1 averted.
(.....)
Phew."

"Didn't know
you could
cough and
sneeze at
the same
exact moment.

What else
am I capable
of today?"

"Under the stares of countless fiery eyes

I feel your flesh and flame..."

"You
can't
create
Utopia,
you just have to
relax
into
it."

"Desperation is the fastest route to fun as far as I'm concerned."
